## MESSAGE FROM THE DIRECTOR

Warm greetings to all our supporters and well-wishers!

It is with heartfelt gratitude that I share some of the recent highlights and progress at Rainbow Children Home Nepal. Over the past months, we have had the privilege of celebrating a range of cultural festivals and activities, including Dashain, Tihar, Teej, swimming outings, boating trips, and even our Annual General Meeting. Additionally, events such as health check-ups and celebrating visitors' birthdays have further enriched the lives of our children. These moments of joy have not only strengthened the bonds among the children but have also nurtured a deeper sense of cultural appreciation and unity within our home. It is truly inspiring to witness the growing confidence and enthusiasm of our children, especially as they develop their skills in public speaking, stage performances, and teamwork.

The laughter of our children, their energy in games, and their passion for singing and dancing have been a testament to the joy these events bring to their lives. Watching their smiles and the connections they build with one another fills us with immense pride and warmth. None of these achievements would have been possible without the unwavering generosity of our donors, supporters, and volunteers. Your contributions have enabled us to create a safe and nurturing environment for our children, providing them not just with basic necessities but with opportunities to thrive, dream, and grow. I am particularly proud to share that many of our former children are now forging successful paths, some even pursuing careers abroad—a reflection of how transformative your support has been.

As we move forward, we remain steadfast in our mission to enhance our facilities and programs, ensuring a brighter future for every child under our care. On behalf of the entire Rainbow Children Home Nepal family, I extend my deepest gratitude to all of you who make this journey possible. Your kindness and commitment inspire us to continue creating meaningful changes in the lives of our children. Together, let us keep building a brighter and more promising future for these remarkable young individuals.

Thank you for standing with us and being a vital part of our shared mission. Your continued support not only transforms the lives of the children we care for but also inspires us to strive harder every day to provide them with the love, guidance, and opportunities they deserve. Together, we can ensure that these children grow into confident, empowered individuals who will one day make a positive impact on the world.

With warm regards,

[Goma Dhakal]

RAINBOW CHILDREN

We are overjoyed to share the vibrant celebrations of Dashain at Rainbow Children Home Nepal (RCH-N), a festival filled with exuberance and heartfelt traditions. Dashain, the grandest Hindu festival, was embraced by our community with open arms, as it brought people together in joy and reverence. While some of our beloved children journeyed back to their ancestral villages to celebrate with their families, others stayed behind to partake in the festivities within the loving and nurturing environment of RCH-N. This year, we introduced a special touch to the occasion by acquiring a Himalayan goat, allowing our children to enjoy the delicious flavors of its tender meat, a true delicacy for the occasion.

The highlight of the celebrations was the deeply meaningful ceremony of tika and jamara, where our children received blessings from their elders, reaffirming their connection to their cultural heritage. After receiving tika, our children eagerly visited the homes of nearby neighbors to receive further blessings, further fostering a sense of community. This year's Dashain festivities served as a profound opportunity for our children to immerse themselves in the rich cultural fabric of Nepal, nurturing their understanding of identity and tradition while celebrating in the warmth of togetherness.

We are thrilled to share the vibrant and heartwarming festivities of Tihar celebrated at Rainbow Children Home Nepal. Tihar, one of Nepal's most cherished festivals, is a radiant time of togetherness, illuminated by shimmering lights, enriched with delectable treats, and filled with the rhythm of melodious music. Sisters lovingly placed colorful tika on their brothers' foreheads, symbolizing love and blessings, while brothers reciprocated with heartfelt gifts and prayers. Our children beautifully upheld these traditions, exchanging tika and tokens of affection among themselves, creating an atmosphere brimming with camaraderie and familial warmth.

The celebrations reached new heights as the children immersed themselves in the traditional Nepalese song and dance of deusi bhailo. They twirled and sang joyfully, their cultural uniforms adding vibrant charm to the lively environment. The joyous spirit extended beyond the home, as our children visited Landmark to share the tradition of tika with foreigners. This act of inclusivity spread happiness and goodwill far and wide, showcasing the true essence of Tihar—a festival of love, unity, and celebration that transcends boundaries.
